\$25 per wrestler. Pre-registration is **REQUIRED**. Deadline to preregister is 9 pm Friday, March 5th. Preregister at Trackwrestling.com or through your Middle School program. Anyone walking in to register in person on Saturday will pay \$50 per person. Absolutely no registration or walk ins after 8 am on Saturday.

ELIGIBILITY:

Each regional is open to current Oregon residents attending 6-8 grade under assigned middle school in the corresponding county, not the club in which they may participate. School ID required. If a participant's school does not issue an ID, print proof of enrollment, which includes the student's grade level (e.g. report card). Homeschoolers can bring comparable verification of grade. Homeschoolers will register under the middle school they would have been assigned to attend.

Tournament organizers reserve the right to accept, deny, or revoke any wrestler's participation when deemed necessary to maintain the safety, fairness, integrity, and orderly operation of the tournament. Wrestlers are expected to register and compete for the middle school they currently attend. Registration in the tournament does not guarantee participation, and tournament organizers retain final authority regarding eligibility and participation decisions.

Girls need to choose to compete in either the girl's season or the boy's season. Any girl who competes in the girl's regional qualifying tournament is not eligible to compete later in the boy's season.

WEIGH-INS:

Saturday only, March 6th, 2027, from 7:00-8 AM. **There will be no wrestlers allowed entrance to the weigh in area after 8 am.** OSAA weigh-in rules will be in effect. Wrestlers will **weigh-in wearing approved uniforms** (singlet or compression shirt with shorts). There are no check scales and absolutely no weight cutting at the facility or leaving the weigh-in area once entered. If a wrestler does not pass the skin check and/or grooming check, an "OSAA Medical Release for Wrestlers to Participate with Skin Lesion" will be required at the time of weigh-ins.

STATE QUALIFICATION:

Boys must qualify at the regional tournament to compete at the State tournament on March 13, 2027.

Regional qualifiers: **Central-3, Eastern-3, Northern-3, Southern-3, and Willamette-3.**
